Website (current company): www.ilea.co.nz

Address:

32 Tirangi Rd, Rongotai, Wellington 6022
NEW ZEALAND

Nationality:

United States of America

Visa status:

New Zealand Permanent Resident

Pronouns: She/her

AREAS OF EXPERTISE

International Policy, Disaster Risk Reduction Planning and Policy, Climate Adaptation Planning, Climate and Disaster Risk Management, Gender-Responsive Climate & Disaster Risk Reduction and Policy, Collaborative Research Design, Implementation, & Evaluation, Socioeconomic Assessment and Monitoring, Asia-Pacific Region

Ph.D., UNIVERSITY OF HAWAI'I AT MANOA (Honolulu, HI), 2005 Political Science: International Public Environmental/ Disaster Risk Management Policy; *Dissertation*: Decolonizing Disaster: A Gender Perspective of Disaster Risk Management in the US Pacific Islands (GPA 4.0/A)

Master's Degree, UNIVERSITY OF HAWAI'I AT MANOA (Honolulu, HI), 1996 Urban and Regional Planning, with focus on Community & Environmental Planning (GPA 4.0/A)

Graduate Ocean Policy Certificate (Minor Degree), UNIVERSITY OF HAWAI'I AT MANOA (Honolulu, HI) Courses in Environmental & Coastal Law, Climate Change, Oceanography, Marine Biology, and Marine Economics, 1996 (GPA:4.0/A)

East-West Center Degree Fellow & Leadership Certificate, EAST- WEST CENTER (Honolulu, HI), 1996

Bachelor of Arts Degree., POMONA COLLEGE (Claremont, CA) International Relations, 1990; *Thesis*: The Impact of Selectively Controlled Internationalization in the People's Republic of China (Grade: A)

PROFESSIONAL EXPERIENCE

Director, LeA International Consultants, Ltd, Wellington, New Zealand, 2015- ongoing. Started in 2015 to work on climate and disaster risk reduction and resilience in the Asia-Pacific region. Expands on experience and collaboration with international agencies and organizations, including the World Bank, US NOAA, ADPC, USAID, WMO, UNISDR, SPREP, and R3ADY Asia-Pacific. Specific projects include: collaboration in the development of the Living with Change (LivC) Strategy and Implementation Plan for Tokelau Government (2016-2018); collaboration with the Japan Women's Network for Disaster Risk Reduction and the Women's Major Group in the 2015 Sendai Declaration on Disaster Risk Reduction; gender and environment reviewer for the Indonesia National Disaster Framework coordinated by Disaster Reduction and Resilience Solutions, LLC (2017-2018); coordinating author for the WMO Science Summit, 2017 (BAMS publication, 2020 reviewer/ researcher for the Joint Center for Disaster Research, Massey University (2019); primary chapter author on weather warnings communication (2022); author/coordinator of the Tokelau Disaster Risk Reduction, Response, and Resilience Plan (TDR4), endorsed November 2019; team member/author,

LANGUAGES

English-native/fluent; *Te Reo Māori* - Beginner; Samoan - Introductory; Woleaian (western Carolinian) - high; Mandarin Chinese-medium, French-medium; Hawaiian-Introductory.

CERTIFICATIONS

- ◆ Certificate in Emergency Management, NZ, 2022
- ◆ *Te Reo Māori - Intensive Wānanga*, Feb 2022
- ◆ International Review Board (IRB) Human Studies Certification, Collaborative Institute Training Initiative (CITI) – 2016-2019.
- ◆ IRB Basic Information Security, CITI, 2016-2019
- ◆ **National Incident Command System**, ICS-100, Emergency Management Institute completion certificate, 2018
- ◆ American Institute of Certified Planners, 2000 – 2012
- ◆ National Environmental Preservation Act (NEPA) and Historic Preservation training for Emergency Management, April 21-23, 2009. Certified credits from the Emergency Management Institute, Federal Emergency Management Agency. w Gender Training of Trainers, November 27-December 1, 2008, Global Gender and Climate Alliance (GGCA). Certified as a Gender Trainer for Climate issues.
- ◆ Benefit-Cost Analysis for Disaster Mitigation, Federal Emergency Management Agency, January 2007 and September 2005.
- ◆ **Community Emergency Rescue Training (CERT)**, 2004
- ◆ **Coastal Construction Training**, Federal Emergency Management Agency, 2002.

National Strategic Plans for Weather, Water, and Climate Services for the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands (3 plans) for Climate Resilience Early Warning Systems Pacific SIDS and WMO (2022); and, Lead Planner/Author, *Te Kāiga Fakaofu Tokelau I Ueligitone Strategic Plan*, Wellington, NZ (2022).

Director, Hazards, Climate & Environment Program, University of Hawai'i Social Science Research Institute (2004–2016); Program Manager, (1996-2004) – Secured and managed more than \$3.5 million project funds related to research, planning, and policy on climate variability and change, hazard mitigation and disaster risk reduction, and environmental management. Responsible for documents and reports that had implications for State and County budgets and facilities valued at more than \$5 billion for recovery. Authored plans, technical reports, international policies, and peer-reviewed publications. Participated in local, regional, and international governmental policy advisory committees.

Hazards – Disaster Risk Reduction

Researcher, Project Lead, UH Secretariat for the Asia-Pacific Disaster Risk Reduction and Resilience network (APDR3), 2012-2016

Principal Investigator, Planner, and Project Researcher: County of Kaua'i Multi-Hazard Mitigation and Resilience Plan, 2015 Update. Finalize plans adopted by highest levels of government to ensure disaster funding, 2001-present. Reviewed sectors and hazards and identify project needs; Developed approved Plan 2003; 2010 Update, May 2009 – August 2010; **2015 Update**, August 2014 – Sept 2015. For the **State of Hawai'i Hazard Mitigation Gap Analysis and Multi-Hazard Mitigation Plan 2004 and Updates 2007 and 2010**. **State of Hawai'i Disaster Public Awareness Campaign**. Dec 2008 – 2010, and the **University of Hawai'i System-wide Multi-Hazard Mitigation Plan**, September 2005 – December 2010.

International **Gender Equality and Disaster Risk Reduction Workshop**, convened 8-10 August 2004. Results presented in Kobe, Japan to the World Conference in Disaster Reduction, January 2005, and led to inclusion of gender and traditional knowledge included in the Hyogo Framework for Action international policy agreed to by UN-participating governments.

Climate

Principal Investigator/Coordinator/Team Lead, “**Designing a Framework to Address Climate Impacts on Cultural Resources**,” for the National Park Service t, Sept 2010 – December 2013. “**Integrating Socioeconomic Assessments to Build Community Resilience in Mitigating Drought**,” 2009–2013. **Pacific Regional Integrated Science and Assessment Project (RISA) on climate variability and change**, funded by the National Oceanic & Atmospheric Administration Climate Program Office (Region includes Hawai'i, American Samoa, Northern Mariana Islands, Guam, Palau, Federated States of Micronesia, and the Marshall Islands), 2005–2012.

- ◆ Participatory Learning and Action, Ottawa, Canada, June 21-26, 1999.
- ◆ Learning to Lead Collaboratively & Strategic Planning Training, Honolulu, HI Oct 1998 and December 1999.
- ◆ DreamWeaver internet site design and development course, April 2001.
- ◆ Basic ArcView (Geographic Information Systems software) course taken from the ESRI online classroom, Spring 1999.
- ◆ SAS, SPSS statistical analysis programs, 1995
- ◆ Pacific Island Disaster Management and Hazard Mitigation Training, by the US Federal Emergency Management Agency (FEMA) in Guam, 1993.
- ◆ PADI Open Water (1992) and Advanced (1995) Diver

PROFESSIONAL AFFILIATIONS AND MEMBERSHIPS

- ◆ Affiliate, Te Toi Whakaruru hau o Aotearoa, 2022
- ◆ Member, American Meteorological Society, 2008-present
- ◆ External Research Affiliate, Joint Centre for Disaster Research, Massey University, 2013 – ongoing.
- ◆ Gender Expert Affiliate, IUCN, appointed October 2013 - ongoing.
- ◆ Steering Committee, Pacific Islands Climate Change Cooperative, 2010 – ongoing; Member, Integrated Science Planning working group, 2010-2012; Member, Cultural Resources and Communities working group, 2010-12.
- ◆ PaCIS Steering Committee, 2011- 2013; Chair, Research & Assessment Working Group, Pacific Climate Information System (PaCIS), 2007-2011.
- ◆ Policy Advisor and Trainer, Global Gender and Climate Alliance, 2008-present.
- ◆ Executive Board Member (Navigator) of the Pacific Risk Management 'Ohana (PRiMO), a collaboration of disaster risk

Environment

Projects include: Principal Investigator, Pacific Regional Ocean Partnership, 2011-ongoing. Development of a partnership to implement the US National Ocean Policy among US Pacific Islands; **Socioeconomic Assessment and Monitoring** project in **Marine Protected Areas** in Thailand, 2010-2015. Collaborator/Researcher, **Hanalei Watershed Resilience Planning Process**, 2010-2017. Project manager to update the **1999 US All Islands Coral Reef Initiative Strategy**. Review of the **Hawai'i State Ocean Resources Management Plan** with colleagues at the University of Hawai'i for the Coastal Zone Management Program, Office of Planning. The **US All Islands Coral Reef Initiative Workshop**, July 1999. Prepared final document and prepared executive summary of *The US All Islands Coral Reef Initiative Strategy*, September 1999, for the US All Islands Coral Reef Initiative Coordinating Committee, the Department of Interior and National Oceanic & Atmospheric Administration, used as the basis for developing the US Coral Reef Initiative executive summary and coordination. The Hawaii State Coastal Zone Management Enhancement Program Five-Year Evaluation and Plan, 1997.

Principal Investigator and Researcher, Pacific ENSO Applications Center (PEAC), University of Hawai'i Joint Institute for Marine & Atmospheric Research and the Social Science Research Institute (1998-2013)

Graduate Research Faculty, Department of Urban & Regional Planning and the Social Science Research Institute, 2006-present.

Professor/Lecturer, PLAN 671/741 **Disaster Management: Understanding Natural Hazard Risk and Applications of Science for Planning**. Spring 2007. Professor/Co-Convener, **PLAN 741 Seminar in Disaster Management and Humanitarian Assistance for the Asia Pacific Initiative**. Wednesday, 6:00-8:30pm, Fall 2006.

International Consultant on DRR and Climate Change (Roles as Policy Advisor, Workshop Organizer, Facilitator, and Trainer) (as part of projects, consultancies, positions, 1985-present) Consultant for the **Japan Women's Network on Disaster Risk Reduction (JWDRR)**, July 1, 2014 – June 30, 2015. Worked on strategy development for the WCDRR 2015, including the 6th AMCDRR in Bangkok, 22-26 June 2014, with presentation with The Honorable Governor Akiko Domoto. Included participation in the First and Second Preparatory Committee meetings for the WCDRR with

management agencies and organizations in the Pacific Islands region, 2003 – 2019. Chairperson, PRiMO Risk Assessment and Post Disaster Evaluation Hui (working group), 2004–2010.

- ◆ Hawaii State Earthquake Advisory Committee, 2006-2011; Vice-Chair, 2007-2010.
- ◆ State Hazard Mitigation Forum, 2004-2012; Chair, Public Awareness committee, 2007-2011.
- ◆ Graduate Research Faculty, Social Science Research Institute; University of Hawaii Department of Urban & Regional Planning, August 2006 – 2020.

RECOGNITION & AWARDS

- ◆ Third Global Congress of Women in Politics and Governance, Gender in Climate Change and Disaster Risk Reduction, 22 October 2008.
- ◆ Reviewer, Nobel Award-winning Intergovernmental Panel on Climate Change 2007 Fourth Assessment Report.
- ◆ National Plan Exemplar, County of Kauai Hazard Mitigation Strategy, FEMA, 2003.
- ◆ Leadership Certificate, East-West Center, 1996.
- ◆ Fellowship, East-West Center, Honolulu, HI, USA, 1994-1996.
- ◆ Certificate of Service, Yap State Government, Federated States of Micronesia, 1994.

the Women's Major Group (WGM). Consultant/ Trainer - Vietnam **Gender, Climate, and DRR**, 2010 with WEDO. Consultant/ Trainer – Co-trainer for **Gender and Climate Change Strategic Roundtable for the Alliance of Small Island States (AOSIS)** targeting decision-makers, participants and negotiators in international climate conferences held in New York, NY with UNDP for the Global Gender and Climate Alliance (GGCA), May 19, 2009. **Climate Change and Micronesia Challenge: Ways Forward in Collaboration and Adaptation workshop**, 14-17 April 2009, 2009-2010. **Gendered Dimensions of Disaster Risk Reduction and Climate Change Adaptation**, Suva, Fiji, February 2008. Primary author for subsequent publication, released May 2009. **Forum on the Gendered Dimensions of Disaster Risk Reduction and Climate Change Adaptation**, Suva, Fiji, February 18-20, 2008. **Gender and Disaster Sourcebook**, Asia-Pacific regional resources, May 2006, www.gdnonline.org. **Gender Needs Assessment** in Post-Disaster Recovery in Nanggroe Aceh Darussalam, Indonesia for the United Nations Development Fund for Women, August 2006 – 2008.

Hazard Mitigation Planner, Yap, Federated States of Micronesia, 1993-94. Reassessed, revised, and wrote grant proposals for the development of hazard mitigation projects, attaining over \$2 million in funding. Developed culturally-relevant hazard mitigation and risk reduction policies for Yap State and FSM National Government. Developed a plan with UNDP to enhance potable water resources in Yap State, and submitted it to the Federal Emergency Management Agency (FEMA) and US Department of Interior for funding for drought mitigation (results reduced the impacts of the drought associated with the recent 1997-98 ENSO warm event). Developed and coordinated implementation of hazard mitigation projects for agricultural food crop production, improved communications and warning systems, a disaster command post, and anchor mooring buoys for protection of coral reef ecosystems. Revised state disaster response plans.

US Peace Corps Volunteer, Yap Federated States of Micronesia, 1991- 1993. Assessed the socio-economic impact of relief assistance on Yap State and published **The Impact of Relief Assistance in Yap State and Hazard Mitigation Recommendations, 1993**, which advised the government on actions to mitigate hazards. Developed culturally- appropriate risk reduction policies. Administered community grants for construction of a water catchment system, women's health, and preparing non-biodegradable waste disposal systems, 1991-1993.
