

IUCN Global Gender Office,
in collaboration with Global Gender and Climate Alliance
partners, members and allies, is pleased to announce the
launch of its latest publication:

Roots for the Future

The Landscape and Way Forward on
Gender and Climate Change

On the occasion of UNFCCC COP21 Gender Day,
join us for the launch online at
www.genderandenvironment.org
or in person in Paris

Tuesday, 08 December 2015
18:30 – 20:00

Climate Action Arena

*The launch will occur at approximately 19:10 as a part of the
Momentum for Change: Women for Results special event*
